

## **Timeline**

**April 2009** – Program receives AOA Accreditation Status (New)

**July 2009** – Sixteen 3<sup>rd</sup> year medical students from Lincoln Memorial University DeBusk College of Osteopathic Medicine (our sponsoring academic institution) began their clinical rotations. Lonesome Pine continues to be a core site for LMU-DCOM accepting an average of 20 students per year. Our program coordinates non-core student rotations for sites across Wellmont Health System.

**July 2010** – Our first two residents entered the program, a PGY-1 and PGY-2

**April 2012** – Program receives Continuing Approval from AOA for a 5-year period, for 24 residents.

**July 2015** – Establish core site rotations for University of Pikeville Kentucky College of Osteopathic Medicine (2 students per year)

**July 2016** Lonesome Pine Hospital receives ACGME accreditation as Sponsoring Institution

**July 2017** Family Medicine Residency Program receives Initial Pre-Accreditation Status from ACGME

**October 2017** ACGME Initial Site Visit

**January 2018** Family Medicine Program receives Continued Pre-Accreditation Status from ACGME

**June 2018** AOA PTRC Approved Family Medicine program to recruit and accept trainees for 2018-2019 academic year
