

### **Ballad Health Contracted Providers**

**Patients will be billed for additional charges, including out-of-network charges, if the patient is provided medical services by a healthcare provider that is not in-network. In particular, the patient should ask the facility if he or she will be provided any medical services by anesthesiologists, radiologists, emergency room physicians or pathologists who are not in the patient's network. It is your responsibility to verify with your insurance if any of the below contracted providers are not in-network.**
