

To access available Professional Development opportunities for providers, you can visit **3 locations**:

If you are inside the MSHA network access from **The Pulse** page or **The Doctor's Bag**

The Doctor's Bag

Or if you access outside the MSHA network, access by visiting **MountainStatesHealth.com**, Medical Professionals, Provider E-learning

**** Note if using an Apple device or other device that does not support Flash, please access through the Citrix App.****

User Name: network log on

User Password: network log on- if it is the first time you have been into the Learning system.

For example:

Network log on- lewissa

First time password would be lewissa

Once you enter you will be prompted to change your password.

If you have previously changed your password, and can't remember it, please call the help desk to have the password reset.

Delivering Learning - Observation for Providers

Warning: Access to other portions of TEDS will be limited during test delivery.

Module Title	Type	Status
Click here to begin	Self-Study	Completed
Click here to Request CME Credit	Self-Study	Never Accessed

By clicking the link for CME, you will be directed to an email requesting CME credit. Once the email is sent, close the Quillen College of Medicine page and click on “Take Test” and answer that you have submitted for CME credit, select “Accept” and then “Grade.”

You can then close TEDS out. You are complete.

The Help Desk is available 24/7 for any issues with TEDS.

Also attached are instructions for adding TEDS to your SSO (Single Sign On) application so that you will not have to remember the password in the future.
