Respiratory Supervisor
- Shannon Bradley, MA, CCC-SLP
Speech-Language Pathologist,
Rehab Site Manager
- Alison Johnson, MSN, RN, CCRN-K
Director of Critical Care

Area Activities: Area attractions: beautiful parks, mountains and historic sites, antique shopping, Barter Theater, Paramount Theater, crafts, whitewater rafting and much more. Contact the Northeast Tennessee Tourism Association for more information at 423-913-5550 or www.netta.com.

Lodging: A block of rooms has been reserved at a special conference rate of \$93 at the Carnegie Hotel, which is adjacent to the Millennium Centre. Call 423-979-6400 to register before October 24 to receive the discounted rate when you mention the Pulmonary & Critical Care Symposium.

Symposium Description: This Transdisciplinary Pulmonary Critical Care Health Symposium is designed to enhance the education of physicians, respiratory therapists, nurses, physical therapists, occupational therapists and speech-language pathologists in the most recent scientific advancements involving management of pulmonary and critical care patients and futuristic trends. Interact with exhibitors who display the latest products and technology, participate in special events such as the silent auction, door prizes and social events.

Target Audience: Physicians, respiratory therapists, nurses, physical therapists, occupational therapists and speech-language pathologists who desire to increase and update their clinical knowledge and expand their professional practice are encouraged to attend.

Education Credit: Contact hours for respiratory therapists will be approved and awarded by the AARC. Contact hours for nursing will be awarded by Mountain States Health Alliance - Organizational Development, an approved provider of continuing nursing education by the Tennessee Nurses Association and accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.

Application has been submitted to the American Association for Respiratory Care (AARC) for 12 continuing education contact hours for respiratory therapists.

This program has been submitted to the Tennessee Physical Therapy Association for approval of 12 contact hours.

Attendance for the entire day(s), signature on the roster(s) and the completion of an evaluation form are required to receive contact hour certificates.

Registration Information: For more information, call the Respiratory Care Department of Johnson City Medical Center at 423-431-1642. Registration deadline is November 8, 2017. Registration will be accepted at the door at the prices listed below. Preregistration is recommended. Refunds are available if cancellation is received 10 days prior to the program date; thereafter no refunds, but substitutions are welcome.

For pre-registration by phone, call Jennifer Pinnell at 423-431-1642.
