

accessMSHA

How to login to MSHA remotely with iPad

1) Download and install "Citrix Receiver" from the App Store https://itunes.apple.com/us/app/citrix-receiver/id363501921?mt=8&ls=1

- Once the Citrix Receiver is installed, open the web browser (usually "Safari") and navigate to: <u>https://login.msha.com</u> (*note*: "https" not "http")
- 3) Login with your username and password. Then, answer any security questions you are prompted to answer.

## 4) Click "Roaming Session"

	Messages	Settings	Log Off	CITRIX
eed more time, click <u>more time required</u>	1,			
	need more time, click <u>more time requirec</u>	need more time, click <u>more time required</u> .	need more time, click <u>more time required</u> .	need more time, click <u>more time required</u> .

5) You will now see a prompt. Click the "Open in 'Receiver'" button
